

LIBRARY RULES

From 1.1.2023

Consider others

- You don't have to be completely silent in the library, but keep the sound level moderate.
- Use headphones if you listen to lectures or music.
- Take your trash to the trash cans.
- Put the chairs, tables, etc. you moved back in their place.
- Take your coat to the coat racks on campus.

Use facilities and materials smartly

- Go to the silent study room when you want to study in peace.
- Do not book seats or desks by leaving your belongings to them if you are for example going to have a coffee/lunch break.
- The library is a nicotine-free state.
- Ask for group work facilities at campus info.
- Take care of the materials you use, they are meant to last from one borrower to another.
- Contact the library immediately if the book is lost or damaged.
